## PRINCIPAL'S REPORT

### New School Bus

We are so happy to let you know that our NEW SCHOOL BUS will be arriving before the end of 2022! Thanks to a successful grant application, we were able to purchase a brand new bus for us to start the 2023 school year with.

### Thank you!

Thank you so much to everyone who has learned worked and played at Marlo Primary this year. We have had an action packed 11 months with students working so hard to make up for what they missed in 2020 and 2021. I love our little school and community and cannot wait for 2023! Have an amazing break, stay safe, see you in the New Year!

**REMINDER: School starts back on Tuesday 31st January 2023**

# In The Classroom

The students have been busy making wooden gift tags to sell at our Christmas concert.

Last week we had a group of current year 6 students come together to complete their inquiry project. The students created a year 7 pack for all the current year 6 students in our area. We were lucky to have our year 5 students assist in assembling the bags.

# BUCHAN CAVES

The P-2 students had the opportunity to visit and explore the Buchan Caves. All students showed resilience, curiosity and empathy as they stepped outside their comfort zones, asked interesting questions and supported their friends if they felt nervous. We explored the Royal Cave and enjoyed our picnic lunch in the park. Thank you Mrs Pollard for organising such a fantastic excursion !

Its 3 weeks until Christmas,  
 which means its 4  
 weeks until hot  
 cross buns are on  
 the shelves,

which means, The 2023 Marlo  
 P.S. Easter fete is only 19 weeks  
 away!

Please collect any un-opened, unwanted  
 Christmas gifts this year and save them for  
 prizes for next year's Easter Fete.

Small stocking fillers make great lucky dip  
 prizes and if you can't return those tea towels  
 that don't match your decor or that candle that  
 you're allergic to, they'll make great raffle  
 prizes!
