- **Tuesday 16th May** HAPL- Space Habitat Designer
- **Wednesday 17th May** Create Captivating Stories- Jeremy Kalbstein 3-6 Students

PRINCIPAL'S REPORT

EASTER FETE

I would like to extend my sincerest thanks to everyone who braved the elements and attended our Easter Fete this year. A great deal of work goes into the organising of our fete, with this being coordinated and led by our amazing School Council. We are still awaiting confirmation of our final takings, however I can say that, despite the weather, over \$12,000 was raised for our school. As the major fund raiser for our school each year we are fortunate to have such amazing support from our school families and our greater community.

STAFFING

In Term 2, our Prep-2 crew are lucky to have Miss Treacy teaching them on Mondays and Tuesdays while Ange takes leave. Miss Breezy will still be in on Wednesday- Friday, and Mr Pashos will continue working with our 3-6 class.

2024

It is amazing to think that I am already beginning to talk about next year, when we are only a few months into this one! The Department of Education has brought forward dates for enrolments and as such we are all ready to welcome new families and students in 2024. Next year, I am excited to announce, we will be offering 3 classes (unless we suffer a significant lowering of numbers)! It would be great to hear from you soon if your family are planning a change of location for next year (the greater notice we have the better prepared we can be). Please pass on our Open Morning details to families who may be interested, enrolment packs are in the office ready to go.

Nicole Pollard, Principal

School Council Members

- Conni Greenwood (President)

Jirrah - Blue house

Curlip - Red house

ANZAC Day Service

The crowd gathered to watch the representatives from all around, march down the main street of Orbost. There were great speeches from many people. There were lots of representatives from Marlo PS, other clubs and services. It was a great day.

In the Classroom

Numeracy P-2

P-2 students have been learning some new maths fluency games the past two weeks. We learnt to play the In-between game which helps us to identify numbers in-between two numbers on a number line. (Find the video tutorial on the *Love me Maths Youtube Channel*).

Catching On Early
Year 3 students began their Catching on Early sessions this week, learning all about internal and external body parts.

P-2 Music

The P-2 students have been learning to play the Djembe drums following the rhythm to recovery program.

NET SET GO PROGRAM & JUNIOR COMPETITION WILL BEGIN ON WED 26TH APRIL 2023
