- **Thursday 24th August** P-2 Possum Magic -Forge Creek Theatre 12pm

## PRINCIPAL'S REPORT

G'day Everyone,

I'm guessing if we conducted a survey, there wouldn't many families who haven't had a dose of illness. According to my memory bank, this has been a particularly bad season for the flu. Simply can not recall the huge number of absentees for students and staff.

This week, the Grade 5/6 students begin their three sessions of Personal Development. They will combine with Orbost North PS students and the sessions will be conducted by the legendary Sam Osborn from Orbost regional Health.

This Friday will be the final swimming sessions for the Grade 3456 students.

·Next Tuesday the 8th of August

·Friday the 11th of August

·Friday the 18th of August is for the Grade P12 students.

All the best to Isabella, Leila, Oskar, Jemima, Angus and Jaxon who are representing SREC at this Thursday's District Athletics Carnival in Bairnsdale. Robyn Cotter is accompanying the team who are travelling on Perry's Bus Lines.

Thank you to School Council, Daryl Andrews and his apprentice, Robert Greenwood for constructing the modern styled sandpit. The area allows for sand play, hanging out, and (chalk) art work to be on display. Great job.

Enjoy the sunshine & speedy recovery to the sickies.

Arthur Pashos, Acting Principal

# In the Classroom

## Team Work

Here at Marlo Primary School we value respect and empathy. We encourage students to work as a team and be patient with one another. It has been fantastic to see students working so well together inside and outside the classroom over the first few weeks of term.

## P-2 Literacy

In our Writers Workshop this term the P-2 students have been writing a diverse range of text types. Every Wednesday afternoon the students head to the library and have the opportunity to read each others published texts. This is a chance for students to share their work and inspire each other. We are so proud of our students writing.

# In The Classroom

New Sandpit

## Athletics

Good luck to Jemima, Angus, Isabella, Leila and Jaxon at athletics in Bairnsdale. Also congratulations to Oskar who qualified but unfortunately could not make the day due to illness. Check out our new sports tshirts!

# In The Classroom

Assembly  
Award  
Winners

Mocha doing his job perfectly feeling nice and relaxed in our classrooms.

## P-2 Numeracy

The P-2 students designed and created their own teddy bears which they named and weighed. As a group we then sorted the teddies from lightest to heaviest.

## P-2 Investigations

In investigations this term students have been learning in lots of different ways. Whether its through a sensory experience with shaving cream and play doh, designing and building our own park, or following guided drawing instructions. This is a time for students to problem solve, question, create and co-operate.
