12	13	14	15	16
<b>PUPIL FREE DAY</b>		Year 5/6 Personal Development		

## PRINCIPAL'S REPORT

Welcome Jamee (Mrs Royce) & Evan (Mr R). You may hear whispers of music lessons from our P/1 students, or STEM lessons, or even new teachers taking classes! This week we have welcomed Jamee as our Assistant Principal, two days per week, and Evan as our STEM & music teacher one day per week.

You may also notice that your child is now adding words in a new language to their vocabulary... this week Jess has begun teaching all year levels Italian! We are very excited to learn about a new culture and explore the similarities and differences between Spanish and Italian.

## STUDENT VOICE

This term I am very excited to announce that, due to a request from **Solomon, Jett** and **Ruby**, we are sending our P/1 students for a 'camp day' to Bairnsdale Gymnastics studio, where they can jump, climb and roll. Keep an eye on the gallery in uEducateUS for photos of the day!

Our handy person, Wayne has been working hard each Wednesday and this week, began building new veggie boxes. I am sure that **Sophie** will enjoy working with us later this term as we plant lots of new edibles in line with her request for more gardens in the school.

**MARLO VALUES: *Respect (self, others, environment), Resilience, Empathy, Curiosity***

Our 3-6 students had lots of fun with Mr R in STEM today exploring different states of matter!

We all enjoyed working with Penny in our Mind & Body Connect lessons!
