ASSISTANT PRINCIPAL'S REPORT

Thank you to our amazing Marlo Primary School community for such a warm welcome as I have settled into my role as Assistant Principal this term. I have enjoyed getting to know each student, their families and staff members that make our school such a special place. I look forward to working with our teachers in continuing to create a differentiated and innovative curriculum that meets the needs of all students. I will also be working with students in small groups to improve literacy knowledge and skills, increasing confidence and a love for learning.

What a busy term it has been! We have recently welcomed our 2025 Preps at our 'Come and Play' sessions. We look forward to their transition days next term. We would also like to congratulate Eva, Oskar, Jack and Isabella who competed in the Eastern District Athletics with great sportsmanship and grit. The Galah classroom enjoyed their gymnastics excursion in Bairnsdale. Students had the opportunity to explore the gymnastic equipment and were adventurous in learning new skills. Our 4/5/6 students have had a successful Melbourne camp and have returned with great memories, new learnings and stories to tell. The 2/3 students are looking forward to their camp coming up in week 8 of this term. Families are welcome to join us for our upcoming Marlo Café Performance and our whole school excursion to East Cape where we will spend the day exploring our local beach, culture and share a BBQ lunch.

I want to thank everyone again for welcoming me with such warmth and kindness. What an exciting term thus far and so much more to come.

– Jamee Royce
