ASSISTANT PRINCIPAL'S REPORT

What a fantastic term we have had here at Marlo Primary School. This term has been packed with fun filled educational experiences including camps, excursions, athletics and book week. We would like to again congratulate Eva and Isabella for competing in the Division Athletics with pride and determination. The 2/3 students have returned from camp with glowing reviews and stories. All students displayed great confidence during their performances at the Marlo Café. Thank you to our Marlo community for coming along, it was fantastic to see so many community members there to support our students. Our East Cape excursion was a great success. We couldn't have asked for better weather. Students gained knowledge of our local area and engaged in activities including beach games, sand art and a shared BBQ lunch. Some students were lucky enough to spot a whale with her calf putting on quite a show.

I would like to thank our school community for showing such kindness and warmth during my first term here at Marlo Primary. I am so lucky to be a part of such a brilliant community. I would also like to congratulate all our hard-working students for a job well done this term and living up to our school values daily. I hope everyone has a lovely, safe holiday connecting with family and friends. I look forward to a very exciting term 4!

– Jamee Royce
